Assignment 1 - Flow Chart

Fizz Buzz

Fizz buzz is a group word game for children to teach them about division. Players take turns to count incrementally, replacing any number divisible by three with the word "fizz", and any number divisible by five with the word "buzz". Any number divisible by both is "fizz buzz".

Assignment

Use draw.io to create a flowchart for the game of FizzBuzz to show the first 100 numbers. Export (Use File->Export in draw.io) your drawing to a PNG file and submit it on Blackboard.
